

Benchmark: Geography 1- 4-5

Brief Constructed Response

Prompt:

Draw a Mental Map of Delaware. Be sure to include neighboring states and bodies of water. Label these features.

Rubric: Student should construct a sketch map that includes a recognizable shape outline of Delaware. The map should include the remainder of the Delmarva Peninsula, with Maryland and Virginia portions of the peninsula labeled. The map should also include the Delaware Bay, Chesapeake Bay, and Atlantic Ocean.
