

Extended Response Item

Standard: History 2

Cluster: 6-8

- **Prompt:** How does one know if a source is credible? Give examples to support your answer.

Response

Students should be able to explain that in order to determine if a source is credible there are questions one should ask. Examples should include What type of document is it? What are some physical qualities of the document? What is the date the document was created? Who is the author of the document?

Rubric

2 = this response gives a valid response with an accurate and relevant example.

1 = this response gives a valid response with an inaccurate, irrelevant, or no example.

0 = inaccurate or no response.
